**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior citizen and a subscriber to Omsoft Tech in Davis and I am writing in support of broadband competition. I have received excellent internet service for 13 years from Omsoft Tech and I do not want to be forced to get my internet services from giant telecoms like ATT, Verizon. etc whose prices are constantly rising and who force you to choose from ridiculous bundle options which I don't need or want and then have your personal data and history sold to advertisers.

Please do not permit the US Telecom Assoc to force small ISPs out of business -- that is totally unfair.

Please treat local and regional ISPs FAIRLY, AND VOTE NO TO CORPORATE GREED.
